^{*} The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Handling Suggestions

All products are code dated with "guaranteed fresh by" date on front of bag. Rotate product to insure fresh products. Destroy products that are beyond the "guaranteed fresh by" date. Store at room temperature out of direct sunlight.

Serving Suggestions

Multiple options for use in your operation including featuring on your display rack to drive grab and go sales, including on your catering menu to provide a flexible and portable side item.

Prep & Cooking Suggestions

Use code date on bag to rotate product so the oldest product is consumed first. Place on display rack or include in catering / box lunches. Contact PepsiCo Foodservice for display equipment options.
